The Membership Chairperson shall review the application; present the properly executed application to the membership committee at least two (2) weeks prior to the next regular club meeting. Upon a favorable recommendation, the pending application is to be announced to the membership. Without objection the applicant shall be declared elected to membership at the next regular meeting of the club. A lodge key may then be presented to the applicant.

The previously submitted initiation fee and dues shall then be turned over to the Treasurer and the completed application form to the Secretary for the Club records.
